1. Verse

It's christmas time ... you're not alone
Santa Claus ... is coming soon
it's christmas time ... you're not alone
Reindeer flying over moon
the Holy Ghost appears to people
Love and peace will be there.

Chorus

Ho ho ho is christmas time
you and me feel so fine
ho ho ho is christmas time
angels never cry
we can see - we believe - we will pray with you
ho ho ho is christmas time
christmas lights will shine.

2. Verse

It's Holy Time ... don't be afraid
Jesus Christ ... is born for you
It's Holy Time ... don't be afraid
humans' wish will come true
the little child free all the people
endless life and joy will be.

Chorus

Ho ho ho is christmas time
you and me feel so fine
ho ho ho is christmas time
angels never cry
we can see - we believe - we will pray with you
ho ho ho is christmas time
christmas lights will shine.

almighty Lord can save the people
no more hate touch's our souls.
