Artist: Michela Mannina

Music: Rene Dahm

Lyrics: Rene Dahm

Chorus

baby baby baby can't get enough?

baby baby baby get my love

baby baby baby get my love?

baby baby baby can't get enough

1. Verse

maybe you're the only for me, is it love?

maybe we live together now, is it love?

is it love, when you make my life a better one?

maybe you're the only for me, is it love?

Chorus

2. Verse

if we catch one thousand starlights, is it right?

always think of touch you, kiss you, is it right?

is it right, I will give my life a deeper sense?

I will promise you never get out of my mind
