<u>Title of the Song:</u> Love for Eternity by Michela Mannina + Rene Dahm

1. Verse

I have a dream you can really see love with you for eternity You and me we are really free love is come like a honey-bee

Bridge (without singing)

2. Verse

I have a dream you can really see love with you for eternity You and me we are really free love is come like a honey-bee a honey-bee

Bridge (without singing)

Chorus

I feel your love again ... it was really good it was so magic ... like in Hollywood come now and let us fly to the next star or we go around ... with my pretty car

3. Verse

I have a dream you can really see love with you for eternity You and me we are really free love is come like a honey-bee

Chorus

I feel your love again ... it was really good it was so magic ... like in Hollywood come now and let us fly to the next star or we go around ... with my pretty car

The End: Bridge / Verse

... ... love with you for eternity for eternity for eternity for eternity
