1. Verse

A boy was born
in a holy land
will love and peace
bring back again
children play around the world
for you and me
a boy was born
in a holy land

Chorus

it's Christmas, it's Christmas, on a holy day
it's Christmas, it's Christmas, we all pray
people dance around, children sing it loud
it's Christmas, it's Christmas, on a holy day

2. Verse

The brightest star
shone in the sky
and three wise men
came from so far
seeking for the Holy Savior
found Him in a crib
between Mary
and the glorious light

Chorus

3. Verse

An Angel came
and told the world
this infant boy
was Jesus Christ
People prayed and thanked the Lord
for sending his only son
because this boy
is the sign of love

Chorus
